

STUDENT LOAN BENEFITS

Set your employees up for a strong financial future

Be the change your employees need

CommonBond for Business® makes it easy for you to provide forward-thinking student loan benefits that transform your team's financial wellness and set your company apart in the hiring pool. They get the support they need, and you attract and retain better talent. Everybody wins.

Flex Contribution

A benefits platform that allows you to contribute directly to your employees' student loans or offer tax-advantaged 401(k) contributions based on their student loan payments.

Evaluation

Our support tool for education finance decisions helps employees learn how to save for future education costs, as well as determine the best course of action for handling their student debt.

Refinancing

Replaces employees' old student loans with a smarter, single loan to help reduce student debt.

Student Loans

Affordable loans to help cover the cost of college education for employees or their families.
