

Email Template to Send to Your Employees

Subject Line: Let's Participate in Global Volunteer Month (April)

Hello Team,

April is Global Volunteer Month, a time dedicated to celebrating the power of volunteerism to uplift those in need. Let's make a difference together. You're invited to join:

1. A fun and meaningful virtual volunteer experience hosted by Goodera. There are many events to choose from across multiple time zones (each event will appear in the time zone you're logging in from). Space is limited—[register here](#).
2. An informative Talk Saves Lives suicide prevention webinar, empowering us to care for ourselves and our community. [Register here](#).
3. Note to HR Leader: Add any additional volunteer opportunities your company is hosting here. See [Global Volunteer Month Playbook](#) for options and ideas.

Let's do some good together for Global Volunteer Month!
